Megan Moss  
c/o Redditch Swimming Club

Dear Megan,

It is sad that you are leaving us – quite understandable though it is, it is still sad.

I want to thank you for the time that you have spent assisting the club, coaching our youngsters and being a committee member. Your contribution to the running and management of the club has been gratefully received by us all and you are going to be greatly missed.

I am particularly grateful to you for stepping in and offering to take the group to Eindhoven this year. Being prepared to take on that responsibility, especially when you have not been before, is an indication of your confidence and ability as a coach as well as an organiser. I am confident that our swimmers (and parents) will be in safe hands in Holland.

Meg you are shortly off to University and behalf of the committee, parents and swimmers, I wish you every success in the future. I think you have indicated that you may be able to come back in your spare time and help the club in your coaching role. That would be wonderful and of course, it goes without saying that you would always be welcome at Redditch at any time

Best wishes Meg. It has been a delight working with you.

Chair Redditch Swimming Club.
