

Position of Treasurer

Some of you may be aware that our Treasurer, Di Wright, has expressed her intention to step down from the position of club Treasurer.

Di has undertaken the Treasurer's role for some years now and has served the club well. She has pulled the finances of the club into a healthy position. She has introduced a 'no cash' system and a computerized process which monitors payments and fees.

There is clearly a need for someone to take on this role now and Di has undertaken to provide the necessary learning for the new volunteer.

The role of Treasurer is a committee position and would entail attending RSC committee meetings once per month.

If anyone who wishes to help the club and volunteer for this role can they please contact me on email: mross.berrycottage@btinternet.com.

Malcolm Ross
Chair and Welfare Officer RSC.
